

# HAZMAT ABSORBENT PADS & ROLLS

## HAZMAT PADS & ROLLS

Built for demanding environments, hazmat / hi-vis melt blown material is the modern standard in absorbing caustic fluids—efficient, dependable, and engineered to perform. Its soft, cloth-like texture combines durability with flexibility, while maintaining an ideal balance of strength and absorbency.

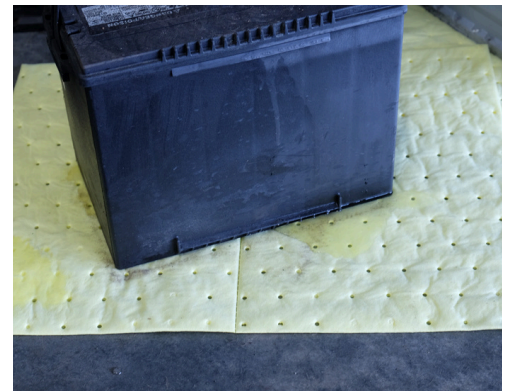

## APPLICATIONS

Hazmat /Hi-Vis absorbent pads can be used on all liquids including acids, bases and unknown liquids. Bright yellow color indicates caution during use and disposal.
