

SPILL KITS

40 GALLON BOXED

ISSUE

Most plants or fleets that encounter leaks, drips, sprays or spills and are required to maintain a spill control plan. Potential safety hazards are present around machinery or storage areas where a risk of injury or chemical reaction is possible.

SOLUTION

Be prepared with a spill control plan that can be implemented with absorbent products readily available, either to use in case of an emergency, or to control daily leaks and spills that may occur.

DESCRIPTION

OIL-DRI® offers compact spill kits designed for universal, oil only, and haz mat applications. All items packaged in a box for easy storage or to transfer contents into your existing sturdy container. Kits are designed to absorb up to 40 gallons.
